DOCKETING DEPARTMENT

NOTICE OF RESCHEDULED HEARING

DOCKET NO. 2005-23-C

ATX Licensing, Inc. (ATX or the Company) filed an Application with the Public Service Commission of South Carolina (the Commission) for a Certificate of Public Convenience and Necessity to provide resold interexchange telecommunications services in the State of South Carolina. The Company's Application was filed pursuant to South Carolina Code Ann. Section 58-9-280 and the rules and regulations of the Commission. ATX seeks authority to provide resold interexchange telecommunications services to and from all points in the State of South Carolina. ATX intends to offer a full range of interexchange telecommunications services, including MTS, WATS, toll-free and calling card services primarily to its customers of other states with satellite office locations in South Carolina. With regard to the composition of its network, ATX will lease the fiber optic facilities of other carriers or construct its own facilities, depending on the current needs and market conditions. ATX requests that the Commission regulate its interexchange services in accordance with the principles and procedures established for alternative regulation in Commission Order Nos. 95-1734 and 96-55 in Docket No. 95-661-C, as modified by Commission Order 2001-997 in Docket No. 2000-407-C.

PLEASE TAKE NOTICE that a hearing on the above matter previously scheduled for May 23, 2005 at 10:00 AM has been **rescheduled** for **Monday, May 16, 2005 at 10:00 AM** before Hearing Examiner David Butler, Esquire, in the Commission's Meeting Room at 101 Executive Center Drive, Saluda Building, Columbia, South Carolina.

Persons seeking information about the Commission's procedures should contact the Commission's offices by dialing (803) 896-5100.
